

Miles City Film Festival

The Montana Theatre is pleased to present a series of films, twice a year, Spring and Fall, that give you the opportunity to see movies that are not necessarily in the mainstream, but ones that are available mostly at specialty art houses in larger cities. Some of these movies may be foreign... most are critically acclaimed... all bring to Miles City the best in movie story telling.

The series will be on Thursday Nights for 8 weeks beginning on September 21st. Unless otherwise noted there will be one showing starting at 7:00pm.

September 14th Wild & Scenic Film Festival

As a festival by activists and for activists, Wild & Scenic is organized and produced by SYRCL (the South Yuba River Citizens League). Since 1983, we've been building a community to protect and restore the rivers of our home watershed, from source to sea. The Wild & Scenic Film Festival puts our local work – and yours too – into the broader environmental and social context, and serves to remind us that we're participants in a global movement for a more wild and scenic world.

This Function is sponsored by the Northern Plains Resource Council
